It also allows for quality time to be spent on your answers and opens up the possibility of more questions being answered in the allotted time.

Photographs:

Sending photographs is optional. However, it is to your advantage to use them. If you decide to use photographs they will be returned to you after your session.

Spirit Communication

If you have decided to have a Spirit Communication, please fill out all of the information pertaining to the person with whom you wish to make contact. Patricia will attempt to make contact prior to your appointment. This is a two-way cooperative effort. Therefore, there are no guarantees Patricia will be able to communicate with the spirit(s) you are trying to contact. She cannot make someone from the "other side" talk to her. If she cannot make contact, your information will be sent back at no charge to you, and we will cancel your appointment, or you can opt to use your appointment time on the other "Types of Readings"

If you decide not to fill in the required information for Spirit Communication and instead give Patricia this information on the day of your appointment, you will be charged for the time spent trying to make spirit contact even if no contact is made. If you are scheduled for a 45-minute session, Patricia will only have time to make about two spirit contacts, or one spirit contact plus a combination of a personal, past life or angel reading. If you feel you need to have more time than this please call and schedule a 60, 75 or 90 minute session. The longer your session, the less it costs per minute.

If you decide to fill in the question portion of the form please follow the guidelines. Please refrain from asking questions such as, "What was my nick name"? OR "What school did I attend when I was nine years old?". Patricia will give very specific information that only your loved one and you would know, but she cannot control what your loved one will say or remember. Patricia is communicating through mental telepathy (a series of thoughts and symbols). The other side does not communicate the same way we do on the earth plane. Once they have left this world, there are factors that can cause their memory to fade. If you need further explanation, please call our office (513) 563-1744 Monday - Friday 9 am to 5 pm (EST).
